

DEPARTMENT OF MATHEMATICS

Illinois State University

Elementary & Middle School Mathematics Education Online Master's Program Q & A

The Department of Mathematics has the Elementary and Middle School Mathematics Education Master's sequence at Illinois State University fully online. The graduate sequence is designed for practicing elementary and middle school teachers who wish to master their level of mathematics teaching in the classroom. The program is not designed for initial licensure, certification, or endorsement in mathematics education.

If you are interested or considering the program, we have set up two Q&A sessions:

Tuesday April 2nd @ 6:00 pm

<https://illinoisstate.zoom.us/j/97501508953>

Tuesday, April 16th @ 6:00 pm

<https://illinoisstate.zoom.us/j/95094867110>

Please RSVP via the following link:

https://illinoisstate.az1.qualtrics.com/jfe/form/SV_020hpw0I33rxGei

If you are interested in the program and those times do not work or you have questions, you can contact Dr. Craig Cullen (cjculle@ilstu.edu) or Dr. Edward Mooney (mooney@ilstu.edu) about questions related to the sessions.
